Plaza para para all the members you in your own world of work and happiness. And those reflections seem like to be, to
possibly to have an idea of what it's like to be a woman, because the idea is to be a woman and to be a woman.

Smylee[®]
FASHION / FREEDOM

In the sea of the mundane,
you stand alone: a paragon
of life in an otherwise ev-
eryday world. A vision of
you, clad in our marvellous
creations tells the story of
an island surrounded by
the vast and jealous
oceans, ever trying to chip
at your beauty...but fail-
ing everytime. You stand
unimpeded, untouched and
unblemished.
